Our Story

From our humble beginnings as a small cai fan stall in Redhill, our team has been serving vegetarian food to patrons from different walks of life for more than 20 years. As we grow alongside our ever-changing mother nature, our unwavering commitment to delivering delightful meals within a warm and welcoming dining environment endures.

Embrace nature's love, disconnect from technologies and create precious memories with your loved ones as you savour our dishes.

Every dish we prepare is infused with love, and cooked without the use of MSG, alliums and alcohol. Dishes that contain egg and dairy products are labelled accordingly.
